

# THE JOSY CLUTCH BAG

FINISHED SIZE: 10 ½" WIDTH X 7 ½" HEIGHT

*This lovable clutch is the perfect size to tuck under your arm. Because it is a slim shoulder bag, it is ideal for wearing out on day-long trips where you only need to bring along a few essential items. This clutch can be made to suit your personal taste and comfort-style, as there is no set handle length; it is up to you to decide whether you want a short or long strap. The Josy Clutch would match well with flats and a casual style of dress, and would be a cute little piece to have on sunny days. Make this clutch bag for this coming spring!*

This is an easy and simple pattern for beginners.
