# THE JANICE PATCHWORK BAG

**FINISHED SIZE: 17" WIDTH X 11 ½" HEIGHT X 3" DEPTH**

*The Janice Patchwork Bag is a special patchwork bag that uses jellyroll patchworks for its exterior. This bag is great to make when you have leftover scraps of fabric or jellyroll pieces from quilting, and is the perfect piece for those of you who have a hard time choosing a single fabric for your projects. In addition to its dynamic appearance, The Janice Patchwork Bag is practical, with a large interior due to its bottom piece, and an elastic band pocket on the inside. The Janice Patchwork Bag is an excellent pattern for quilters who want smaller, more modern projects and for sewers who want to try their hand at quilting.* [Designer's Review](#)
